

Unrealised Potential

ARTIST: William David Titley

TITLE: Loft

Outline of Unrealised Potential

I propose to convert an existing city centre space into a high quality pigeon loft: inhabiting the space with two pairs of feral pigeons, captured from the city.

Each newborn in the loft will be registered with The Royal Pigeon Racing Association and fitted with an official 'registration ring'. The growing flock will be trained and cared for according to top 'fanciers' recommendations: the finest food, drink and accommodation. They will be entered to race against the country's top homing pigeons. One half of the loft will provide an exhibition space: displaying the growth of the flock, ancestral charts showing the lineage of each bird, names, race times, dates, photographs etc.

Suggested Artists

Guest artists will be invited to take part in training and naming the young birds.

Signed on behalf of William David Titley by Unrealised Potential, (Chavez-Dawson, Ely & Harris).
