ARTIST: Anonymous

TITLE: Modification: Black Swans

Outline of Unrealised Potential

- 1st I'd like to slow the world a little, enough to for a consideration.
- 2nd I'd like to posit the modifier that, in this world **all swans are black**.
- 3rd I'd like to research or have researched the implications of this modification - 'in retrospect', 'as we see the world today' and 'as the world will reveal its self to us at a specified moment in the future'.
- 4th I'd like to consider the importance of necessary content.
