

Unrealised Potential

ARTIST: Brian Reed (with Mike Chavez-Dawson)

TITLE: Patronus Cliens

Outline of Unrealised Potential

Patronus Cliens will be an official agency to develop a network of patrons in order to financially support their portfolio of artists.

It is suggested that the patronage should be for a lifetime but with a bi-annual review. The patron will receive one free artwork every two years plus a discount on other works. They will receive an annual up-date on the artist's current work and progress, along with invitations to all the artist's openings and events.

The first two artists to benefit from the agency are the authors of this unrealised potential.
