

Unrealised Potential

ARTIST: Franko B

TITLE: Invisible Seams

Outline of Unrealised Potential

The artists below will be shown together – under one roof, where their work will meet and be shared, but also can infect and affect each other and those who come in contact with it. I feel these artists have a lot in common and they share a vision of a non-detached life. They can make you travel with their beauty, but not escape. Most importantly, they do it with immense generosity, humility and love. I love them...
