

# Unrealised Potential

ARTIST: Mark Kennard

TITLE: The 50 Craziest Things My Mother Ever Told Me

## Outline of Unrealised Potential

An open submission to all practising artists to provide 'the most' outrageous, hysterical, clueless statement/suggestions from those who love them the most.

'Career advice from hell' is the subtext for this exhibition to be shown at the swankiest fuckin' gallery space, especially built for occasion. The overall winner (selected by public vote) will have a commemorative statue erected in their honour by the artists of their choice in their chosen materials.
