

# Unrealised Potential

ARTIST: Robin Nature-Bold

TITLE: Break the Rut

## Outline of Unrealised Potential

More of a service than a show, to simply kidnap artists who have a habit of making the same old shit work over and over again. Lock them away in a small cavern and force them to make new and different work, only once they have created a new and 'different' body of work will they be allowed to go free again.

Ideally looking for some eccentric rich oil baron to fund this project.

Suggested Artists

Sean Scully, Dinos & Jake Chapman and Barbara Kruger
