

# Unrealised Potential

ARTIST: Susie Green

TITLE: Softness

## Outline of Unrealised Potential

A proposal for those who enjoy the textures of everyday life.

Members of the public are invited to choose an item of clothing which they feel to be striking in pattern, picture, colour, texture, structure or atmosphere. They are then invited to spend time visiting sites that they have either always meant to visit, or that they simply enjoy, and most importantly, that they feel their chosen clothes may match, be it in pattern, picture, colour, texture, structure or atmosphere. One site is then chosen. The participant is then required to wear their outfit on site, pose as they choose, and be photographed. The resulting image will be printed large, in colour and untitled in a free daily newspaper that is read by millions. One image will be printed per day, for as long as it takes. Each image will be cut out and shown in an exhibition when the project has ended. Participants can obtain as many papers as they wish.
